* For more information and details on benefits or covered services, please refer to your Evidence of Coverage (EOC) or call the customer service number that appears on your Blue Shield member ID card.

† Before HMO members visit an urgent care center, you may be required to call your doctor's office each time you seek care. HMOs may require your doctor's office to provide authorization before you go to the urgent care center. HMO members must receive care at an urgent care center that is affiliated with their doctor's medical group or IPA, or the HMO plan may not cover the services received.

Teladoc, Heal and Adventist Health are independent entities that administrate services on behalf of Blue Shield of California.

NurseHelp 24/7 is a service mark of Blue Shield of California. Blue Shield and the Shield symbol are registered trademarks of the BlueCross BlueShield Association, an association of independent Blue Cross and Blue Shield plans.
