

Get the medications you take regularly sent to your home with CarelonRx Pharmacy

Set up home delivery through CarelonRx Pharmacy for the prescriptions you take long-term for conditions like high blood pressure, diabetes, heart disease, or asthma. You'll receive your medications at your door and enjoy the convenience of not having to visit the pharmacy.

With home delivery, you can count on:

Convenience. Medications are delivered directly to your home or any location you choose.

- Manage your prescriptions with the SydneySM Health app or at [anthem.com/ca](https://www.anthem.com/ca).
- Expect first-time home delivery orders to take about two weeks and refills to take 3 to 5 days.
- Track your order.
- Set up reminders and automatic refills, too.

Safety. All orders are checked by a licensed pharmacist before they ship. Discreet packaging is:

- Tamperproof
- Temperature controlled, if needed
- Weatherproof

Peace of mind. You're less likely to miss a dose and more likely to stay on track with the treatment your doctor prescribed when you switch to home delivery.* You can also talk, text, or chat 24/7 with a trained pharmacist if you have questions or need help.

Hassle-free service. CarelonRx Pharmacy will contact your doctor to order a new, 90-day prescription if you need one. If a medication preapproval is needed, the home delivery team will reach out to you for consent before shipping your medication.

Savings. Many medications cost less when you fill a 90-day supply instead of three 30-day supplies. Shipping is always free. With CarelonRx Pharmacy, you can also learn about lower-cost options and use coupons to save money.
