USING YOUR ANTHEM HSA

Open your HSA account

To open an HSA, you must have an HSA-compatible, high-deductible health plan.

Once you decide to open your HSA, our banking partner will confirm your identity, as required by law, and notify you if additional information is needed.¹

Keep in mind, the information you provide at enrollment is used to open your account and confirm your identity. It is important that you enroll using your legal name to avoid delays in opening your account.

Receive your welcome letter and debit card

Once your account is open:

- You can log on to [anthem.com/ca](https://www.anthem.com/ca) to see your account information at any time.
- You can learn more about your health plan, benefits, and HSA at [anthem.com/ca](https://www.anthem.com/ca).
- You will receive a welcome letter and debit card issued to you and your spouse or domestic partner.²

Transfer HSA funds

If you already have an HSA, you can transfer your funds to your new Anthem HSA for:

- **A simpler experience.** With your funds in one place, you will have one login, one statement, one mobile app, one support team, and one debit card.
- **More savings by reducing fees.** By consolidating funds and closing your other account, you eliminate account administration fees from your prior HSA custodian.³
- **Easier tax filings.** By having one HSA for the whole year, you will only have one set of tax forms to manage when it comes time to file your taxes.
- **Increased investment opportunity.** By combining your accounts, you have the maximum opportunity to grow your savings for the future.

We are here to support you. Once your account is open, please visit [anthem.com/ca](https://www.anthem.com/ca) or the Sydney Health app. You can also call Member Services at the number on the back of your ID card for details. We want you to feel confident knowing you're protected, informed, and supported.

This is what the IRS requires if you want to open an HSA:

- You must be covered by an HSA-compatible, high-deductible health plan.
- You must be a U.S. resident, and not a resident of Puerto Rico or American Samoa.
- You cannot be covered by any other comprehensive medical plan that is not an HSA-compatible, high-deductible health plan.
- You cannot be claimed as a dependent on another individual's tax return.
- You cannot be enrolled in Medicare.
- If you are a veteran, you may not have received veterans benefits within the last three months, unless those benefits are related to a service-connected disability.
- You cannot be enrolled in TRICARE, the federal government insurance program for active and retired military.
- Your spouse cannot be enrolled in a flexible spending account (FSA) plan.

Note: You have the option of using a different financial institution to set up your Anthem HSA. However, you would be responsible for any HSA-related fees applied by the chosen financial institution.

¹ Under the Patriot Act, all financial institutions are required to confirm the identity of anyone opening a new account through the Consumer Identification Program (CIP).

² A debit card will automatically be issued to you and your spouse or domestic partner. If you need debit cards for other dependents, you can order them online at [anthem.com/ca](https://www.anthem.com/ca) or call Member Services at the number on your ID card.

³ Please note that your prior HSA custodian may charge a fee to transfer and close your account.
