The Trio ACO HMO Network

Trio HMO is powered by our accountable care organizations (ACOs), a network of local doctors, specialists, and hospitals. This network is designed to deliver a better coordinated, effective, and efficient care experience. It is made up of a subset of Independent Practice Association (IPAs), medical groups, and affiliated physicians from our Access+ HMO® Network.

Like our other HMO plans, with Trio you have a primary care physician (PCP). Your PCP can coordinate your care, treat common illnesses and injuries, and provide a referral if you need to see a specialist. Trio HMO comes with many other convenient and affordable ways to access care such as NurseHelp 24/7SM, Teladoc, and coverage when you travel with BlueCard®. Discover all your care options at blueshieldca.com/care.

You're not just a number

As a Trio member, you get personalized support with Shield Concierge. With one phone call, you can talk with a team of experts, including registered nurses, pharmacists, member service representatives, and more.

Shield Concierge has extended hours from Monday to Friday, 7 a.m. to 7 p.m. Call the number on the back of your Blue Shield member ID card to speak with a representative.
