¹This plan has an embedded deductible and out-of-pocket maximum. Each family member will begin paying copays or coinsurance after meeting his or her individual deductible or out-of-pocket maximum (depending on the benefit), or when the family deductible or out-of-pocket maximum is satisfied. Individual family members are no longer subject to cost sharing when they reach their individual out-of-pocket maximum, or when the family out-of-pocket maximum is met.

²Out-of-pocket maximum is the maximum amount an individual or family will pay for all covered services in a year.

³Preventive lab tests, X-rays, and immunizations are covered as part of the preventive exam.
