

Summary of Benefits

Group Plan

Blue Shield Bronze 60 PPO 6300/75 + Child Dental

PPO Benefit Plan

This Summary of Benefits shows the amount you will pay for covered services under this Blue Shield of California benefit plan. It is only a summary and it is part of the contract for health care coverage, called the Evidence of Coverage (EOC).¹ Please read both documents carefully for details.

Provider Network:

Full PPO Network

This benefit plan uses a specific network of health care providers, called the Full PPO provider network. Providers in this network are called participating providers. You pay less for covered services when you use a participating provider than when you use a non-participating provider. You can find participating providers in this network at blueshieldca.com.

Calendar Year Deductibles (CYD)²

A calendar year deductible (CYD) is the amount a member pays each calendar year before Blue Shield pays for covered services under the benefit plan. Blue Shield pays for some covered services before the calendar year deductible is met, as noted in the Benefits chart below.

		When using a participating provider ³	When using any combination of participating ³ and non-participating ⁴ providers
Calendar year medical deductible	<i>Individual coverage</i>	\$6,300	\$6,300
	<i>Family coverage</i>	\$6,300: individual \$12,600: family	\$6,300: individual \$12,600: family
Calendar year pharmacy deductible	<i>Individual coverage</i>	\$500	not covered
	<i>Family coverage</i>	\$500: individual \$1,000: family	not covered

Calendar Year Out-of-Pocket Maximum⁵

An out-of-pocket maximum is the most a member will pay for covered services each calendar year. Any exceptions are listed in the Notes section at the end of this Summary of Benefits.

No Lifetime Benefit Maximum

Under this benefit plan there is no dollar limit on the total amount Blue Shield will pay for covered services in a member's lifetime.

	When using a participating provider ³	When using a non-participating provider ⁴
<i>Individual coverage</i>	\$7,000	\$10,000
<i>Family coverage</i>	\$7,000: individual \$14,000: family	\$10,000: individual \$20,000: family

First Dollar Coverage:

3 office visits per calendar year

This benefit plan has first dollar coverage (FDC) for 3 office visits with participating providers. This means Blue Shield will pay for these covered services before you meet any calendar year medical deductible. These services are identified by a check mark (✓) in the Benefits chart below.

First dollar coverage is available for office visits to a participating physician, participating health care provider, or mental health service administrator (MHSA) participating provider, for any combination of these services:

- Primary care office visit (by a primary care physician)
- Specialist care office visit
- Other practitioner office visit
- Acupuncture service
- Outpatient mental health and substance use disorder office visit
- Podiatric service
- Teladoc consultation
- Urgent care

After you reach the maximum number of visits under the first dollar coverage benefit, additional office visits in the same calendar year are subject to any calendar year medical deductible.

First dollar coverage is provided in addition to covered preventive health services office visits. Covered preventive health services are also paid by Blue Shield before you meet any calendar year medical deductible.

Prior Authorization

The following are some frequently-utilized benefits that require prior authorization:

- Radiological and nuclear imaging services
- Inpatient facility services
- Home health services from non-participating providers
- Pediatric vision non-elective contact lenses and low vision testing and equipment
- Mental health services, except outpatient office visits
- Hospice program services
- Some prescription drugs (see blueshieldca.com/pharmacy)

Please review the Evidence of Coverage for more about benefits that require prior authorization.

1 Evidence of Coverage (EOC):

The Evidence of Coverage (EOC) describes the benefits, limitations, and exclusions that apply to coverage under this benefit plan. Please review the EOC for more details of coverage outlined in this Summary of Benefits. You can request a copy of the EOC at any time.

Defined terms are in the EOC. Refer to the EOC for an explanation of the terms used in this Summary of Benefits.

2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A deductible is the amount you pay each calendar year before Blue Shield pays for Covered Services under the benefit plan.

If this benefit plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✓) in the Benefits chart above.

Covered Services not subject to the Calendar Year medical Deductible. Some Covered Services received from Participating Providers are paid by Blue Shield before you meet any Calendar Year medical Deductible. These Covered Services do not have a check mark (✓) next to them in the "CYD applies" column in the Benefits chart above.

- First Dollar Coverage (FDC). This benefit plan also has first dollar coverage. See the section on first dollar coverage for office visits that are also paid by Blue Shield before you meet any Calendar Year combined medical and pharmacy Deductible. Covered Services with first dollar coverage are identified with a check mark (✓) in the "FDC applies" column in the Benefits chart above.

Essential health benefits count towards the Calendar Year Deductible.

This benefit plan has separate Deductibles for:

- medical Deductible and pharmacy Deductible
- Participating Provider Deductible and Non-Participating Provider Deductible

Family coverage has an individual Deductible within the family Deductible. This means that the Deductible will be met for an individual who meets the individual Deductible prior to the family meeting the family Deductible within a Calendar Year.

3 Using Participating Providers:

Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

Your payment for services from "Other Providers." You will pay the Copayment or Coinsurance applicable to Participating Providers for Covered Services received from Other Providers. However, Other Providers do not have a contract to provide health care services to Members and so are not Participating Providers. Therefore, you will also pay all charges above the Allowable Amount. This out-of-pocket expense can be significant.

4 Using Non-Participating Providers:

Non-Participating Providers do not have a contract to provide health care services to Members. When you receive Covered Services from a Non-Participating Provider, you are responsible for both:

- the Copayment or Coinsurance (once any Calendar Year Deductible has been met), and
- any charges above the Allowable Amount (which can be significant).

“Allowable Amount” is defined in the EOC. In addition:

- Any Coinsurance is determined from the Allowable Amount.
 - Any charges above the Allowable Amount are not covered, do not count towards the Out-of-Pocket Maximum, and are your responsibility for payment to the provider. This out-of-pocket expense can be significant.
 - Some Benefits from Non-Participating Providers have the Allowable Amount listed in the Benefits chart as a specific dollar (\$) amount. You are responsible for any charges above the Allowable Amount, whether or not an amount is listed in the Benefits chart.
-

5 Calendar Year Out-of-Pocket Maximum (OOPM):

Your payment after you reach the calendar year OOPM. You will continue to be responsible for Copayments or Coinsurance for the following Covered Services after the Calendar Year Out-of-Pocket Maximum is met:

- bariatric surgery: additional covered travel expenses for bariatric surgery
- dialysis center benefits: dialysis services from a Non-Participating Provider
- benefit maximum: charges for services after any benefit limit is reached

Essential health benefits count towards the OOPM.

Any Deductibles count towards the OOPM. Any amounts you pay that count towards the medical or pharmacy Calendar Year Deductible also count towards the Calendar Year Out-of-Pocket Maximum.

This benefit plan has a Participating Provider OOPM as well as a combined Participating Provider and Non-Participating Provider OOPM. This means that any amounts you pay towards your Participating Provider OOPM also count towards your combined Participating and Non-Participating Provider OOPM.

Family coverage has an individual OOPM within the family OOPM. This means that the OOPM will be met for an individual who meets the individual OOPM prior to the family meeting the family OOPM within a Calendar Year.

6 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit Copayment in addition to an allergy serum Copayment when you visit the doctor for an allergy shot.

7 Preventive Health Services:

If you only receive Preventive Health Services during a physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Services during the physician office visit, you may have a Copayment or Coinsurance for the visit.

8 Outpatient Prescription Drug Coverage:

Medicare Part D-non-creditable coverage-

This benefit plan's prescription drug coverage provides less coverage on average than the standard benefit set by the federal government for Medicare Part D (also called non-creditable coverage). It is important to know that generally you may only enroll in a Part D plan from October 15th through December 7th of each year. If you do not enroll when first eligible, you may be subject to payment of higher Part D premiums when you enroll at a later date. For more information about drug coverage, call the Customer Services telephone number on your Member identification card, Monday through Thursday, 8 a.m. to 5 p.m., or Friday 9 a.m. to 5 p.m.

9 Outpatient Prescription Drug Coverage:

Brand Drug coverage when a Generic Drug is available. If you, the Physician, or Health Care Provider, select a Brand Drug when a Generic Drug equivalent is available, you are responsible for the difference between the cost to Blue Shield for the Brand Drug and its Generic Drug equivalent plus any applicable Drug tier Copayment or Coinsurance. This difference in cost will not count towards any Calendar Year pharmacy Deductible, medical Deductible, or the Calendar Year Out-of-Pocket Maximum.

Request for Medical Necessity Review. If you or your Physician believes a Brand Drug is Medically Necessary, either person may request a Medical Necessity Review. If approved, the Brand Drug will be covered at the applicable Drug tier Member payment.

Short-Cycle Specialty Drug program. This program allows initial prescriptions for select Specialty Drugs to be filled for a 15-day supply. When this occurs, the Copayment or Coinsurance will be pro-rated.

10 Pediatric Dental Coverage:

Pediatric dental benefits are provided through Blue Shield's Dental Plan Administrator (DPA).

Orthodontic Covered Services. The Copayment or Coinsurance for Medically Necessary orthodontic Covered Services applies to a course of treatment even if it extends beyond a Calendar Year. This applies as long as the Member remains enrolled in the Plan.

11 Pediatric Vision Coverage:

Pediatric vision benefits are provided through Blue Shield's Vision Plan Administrator (VPA).

Covered Services from Non-Participating Providers. There is no Copayment or Coinsurance up to the listed Allowable Amount. You pay all charges above the Allowable Amount.

Coverage for frames. If frames are selected that are more expensive than the Allowable Amount established for frames under this Benefit, you pay the difference between the Allowable Amount and the provider's charge.

Notes

“Collection frames” are covered with no member payment from Participating Providers. Retail chain Participating Providers do not usually display the frames as “collection,” but a comparable selection of frames is maintained.

“Non-collection frames” are covered up to an Allowable Amount of \$150; however, if the Participating Provider uses:

- wholesale pricing, then the Allowable Amount will be up to \$99.06.
- warehouse pricing, then the Allowable Amount will be up to \$103.64.

Participating Providers using wholesale pricing are identified in the provider directory.

Benefit Plans may be modified to ensure compliance with State and Federal requirements.
