

Half of America's workforce admits to having back problems. Chiropractic care can provide marked relief from pain and discomfort, while improving the quality of life and decreasing the likelihood of a recurrence.

CaliforniaChoice® offers low-cost chiropractic and acupuncture benefits for members through their employer. Your chiropractic benefits will depend on what your employer has selected to offer.

Chiropractic benefits appear on your ValuePlus card or can be viewed – along with your other optional benefits – online, anytime at www.calchoice.com.
