## Section 3 – Helpful Hints for Submitting Your Medical Claim

- Submitting original documents is always helpful in expediting the processing of your claim. When possible, send the original claim, itemized bill, and medical records. This is especially helpful for inpatient hospital bills.
- If possible, ask the provider of service to write the bill in English and convert the currency to U.S. Dollars.
- If the provider of service is not able to present the bill or claim in English and U.S. Dollars, do not perform the translation yourself. United Healthcare will provide this service for you.
- Remember that all plan-filing rules apply to international claims. Submit your claims as soon as possible after treatment is rendered.
- If payment is to be issued to you, please submit a proof of payment. A cancelled check or charge receipt is acceptable.
- If you have a U.S. address for the receipt of mail, please make sure that your employer is aware of this address so they may supply it to us for the mailing of your check and/or explanation of benefits.
- The processing of international bills can be more complicated than a regular U.S. bill. Please note that a simple claim (one that does not require any translation and is mailed within the United States) may take as little as 2 weeks to process; a small claim that does require language and currency translation may take 3-6 weeks to process and, a more complicated claim (ie: a large hospital bill) may take even longer.
- Your international claim payment information is available on myuhc.com. Please use this as a resource when checking the status of your claim.
- If a reasonable amount of time has passed, and after checking myuhc.com for the status of your claim, you still have questions regarding the status or payment of your claim, please call the Member Services number on the back of your ID card.

*Note for non-medical or non-UHC claims (ie: Dental, Medco Rx, etc.) – this is not the process for submitting your international bill. Please contact the Member Services number located on the applicable member id card.*
