# Continuity of Care Assistance

We at Health Net understand that you may be obtaining care from a provider who is not contracted with Health Net or your medical group. If you feel you have a special situation and your care cannot be transferred to a Health Net network provider on the date of change in your plan, or your new enrollment date with Health Net, you may request that Health Net review your special situation. Under certain circumstances, you may be entitled to continuation of care with this noncontracted provider.

To request such a review, please provide the information below as completely and accurately as possible to avoid delay in processing your request. You or your authorized representative may complete the form. Please complete Section 1 below; then, if possible, provide this form to your provider to complete Section 2 to assist us in processing your request for continuation of care.

Please note that filling out the Continuity of Care Assistance Request Form does not guarantee requested services will be covered. Each case is reviewed with guidelines and criteria in place.
