Individual family members are no longer subject to cost sharing when they reach their individual out-of-pocket maximum, or when the family out-of-pocket maximum is met.

²Out-of-pocket maximum is the maximum amount an individual or family will pay for certain services in a year.

³Preventive lab tests, X-rays, and immunizations are covered as part of the preventive exam.

⁴Scheduled prenatal visits and the first postpartum visit

⁵Well-child visits through age 23 months

⁶Infertility benefits can be added to this plan for an additional cost. For more information, contact your broker or Kaiser Permanente representative.

⁷Prescription drugs are covered in accordance with our formulary when prescribed by a Plan physician and obtained at Plan pharmacies. Specialty drugs are high-cost drugs that are on our specialty drug list. To obtain a list of specialty drugs that are on our formulary, or to find out if a non-formulary drug is on the specialty drug list, please call our Member Service Contact Center.

⁸Please refer to the *Evidence of Coverage* for information on what is included in your DME benefit. Coverage is limited.
