HMO Benefit Plan

This Summary of Benefits shows the amount you will pay for covered services under this Blue Shield of California benefit plan. It is only a summary and it is part of the contract for health care coverage, called the Evidence of Coverage (EOC).¹ Please read both documents carefully for details.

Provider Network:

Trio ACO HMO Network

This benefit plan uses a specific network of health care providers, called the Trio ACO HMO provider network. Medical groups, independent practice associations (IPAs), and physicians in this network are called participating providers. You must select a primary care physician from this network to provide your primary care and help you access services, but there are some exceptions. Please review your Evidence of Coverage for details about how to access care under this plan. You can find participating providers in this network at blueshieldca.com.

Calendar Year Deductibles (CYD)²

A calendar year deductible (CYD) is the amount a member pays each calendar year before Blue Shield pays for covered services under the benefit plan. Blue Shield pays for some covered services before the calendar year deductible is met, as noted in the Benefits chart below.

When using a participating provider³

Calendar year medical deductible	<i>Individual coverage</i>	\$500
	<i>Family coverage</i>	\$500: individual \$1,000: family

Calendar Year Out-of-Pocket Maximum⁴

An out-of-pocket maximum is the most a member will pay for covered services each calendar year. Any exceptions are listed in the EOC.

No Lifetime Benefit Maximum

Under this benefit plan there is no dollar limit on the total amount Blue Shield will pay for covered services in a member's lifetime.

When using a participating provider³

Notes

1 Evidence of Coverage (EOC):

The Evidence of Coverage (EOC) describes the benefits, limitations, and exclusions that apply to coverage under this benefit plan. Please review the EOC for more details of coverage outlined in this Summary of Benefits. You can request a copy of the EOC at any time.

Defined terms are in the EOC. Refer to the EOC for an explanation of the terms used in this Summary of Benefits.

2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A deductible is the amount you pay each calendar year before Blue Shield pays for Covered Services under the benefit plan.

If this benefit plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✓) in the Benefits chart above.

Covered Services not subject to the Calendar Year medical Deductible. Some Covered Services received from Participating Providers are paid by Blue Shield before you meet any Calendar Year medical Deductible. These Covered Services do not have a check mark (✓) next to them in the "CYD applies" column in the Benefits chart above.

Essential health benefits count towards the Calendar Year Deductible.

Family coverage has an individual Deductible within the family Deductible. This means that the Deductible will be met for an individual who meets the individual Deductible prior to the family meeting the family Deductible within a Calendar Year.

Notes

3 Using Participating Providers:

Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

Your payment for services from "Other Providers." You will pay the Copayment or Coinsurance applicable to Participating Providers for Covered Services received from Other Providers. However, Other Providers do not have a contract to provide health care services to Members and so are not Participating Providers. Therefore, you will also pay all charges above the Allowable Amount. This out-of-pocket expense can be significant.

4 Calendar Year Out-of-Pocket Maximum (OOPM):

Your payment after you reach the calendar year OOPM. You will continue to be responsible for Copayments or Coinsurance for the following Covered Services after the Calendar Year Out-of-Pocket Maximum is met:

- benefit maximum: charges for services after any benefit limit is reached

Essential health benefits count towards the OOPM.

Any Deductibles count towards the OOPM. Any amounts you pay that count towards the medical Calendar Year Deductible also count towards the Calendar Year Out-of-Pocket Maximum.

Family coverage has an individual OOPM within the family OOPM. This means that the OOPM will be met for an individual who meets the individual OOPM prior to the family meeting the family OOPM within a Calendar Year.

5 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit Copayment in addition to an allergy serum Copayment when you visit the doctor for an allergy shot.

6 Preventive Health Services:

If you only receive Preventive Health Services during a physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Services during the physician office visit, you may have a Copayment or Coinsurance for the visit.

7 Outpatient Prescription Drug Coverage: Medicare Part D-creditable coverage-

This benefit plan's prescription drug coverage is on average equivalent to or better than the standard benefit set by the federal government for Medicare Part D (also called creditable coverage). Because this benefit plan's prescription drug coverage is creditable, you do not have to enroll in Medicare Part D while you maintain this coverage; however, you should be aware that if you have a later break in this coverage of 63 days or more before enrolling in Medicare Part D you could be subject to payment of higher Medicare Part D premiums.

8 Outpatient Prescription Drug Coverage:

Brand Drug coverage when a Generic Drug is available. If you, the Physician, or Health Care Provider, select a Brand Drug when a Generic Drug equivalent is available, you are responsible for the difference between the cost to Blue Shield for the Brand Drug and its Generic Drug equivalent plus any applicable Drug tier Copayment or Coinsurance. This difference in cost will not count towards any Calendar Year pharmacy Deductible, medical Deductible, or the Calendar Year Out-of-Pocket Maximum.

Request for Medical Necessity Review. If you or your Physician believes a Brand Drug is Medically Necessary, either person may request a Medical Necessity Review. If approved, the Brand Drug will be covered at the applicable Drug tier Member payment.

Short-Cycle Specialty Drug program. This program allows initial prescriptions for select Specialty Drugs to be filled for a 15-day supply. When this occurs, the Copayment or Coinsurance will be pro-rated.

9 Pediatric Dental Coverage:

Pediatric dental benefits are provided through Blue Shield's Dental Plan Administrator (DPA).

Orthodontic Covered Services. The Copayment or Coinsurance for Medically Necessary orthodontic Covered Services applies to a course of treatment even if it extends beyond a Calendar Year. This applies as long as the Member remains enrolled in the Plan.

10 Pediatric Vision Coverage:

Pediatric vision benefits are provided through Blue Shield's Vision Plan Administrator (VPA).

Coverage for frames. If frames are selected that are more expensive than the Allowable Amount established for frames under this Benefit, you pay the difference between the Allowable Amount and the provider's charge.

"Collection frames" are covered with no member payment from Participating Providers. Retail chain Participating Providers do not usually display the frames as "collection," but a comparable selection of frames is maintained.

"Non-collection frames" are covered up to an Allowable Amount of \$150; however, if the Participating Provider uses:

- wholesale pricing, then the Allowable Amount will be up to \$99.06.
- warehouse pricing, then the Allowable Amount will be up to \$103.64.

Participating Providers using wholesale pricing are identified in the provider directory.

Benefit Plans may be modified to ensure compliance with State and Federal requirements.
