

Humana Dental PPO Network

Providing the network you need

- More than 252,000 dentist locations
- It's easy to find a participating dentist near home, work or when you're on vacation
- Online Dentist Finder is updated daily, including directions to the dentist location

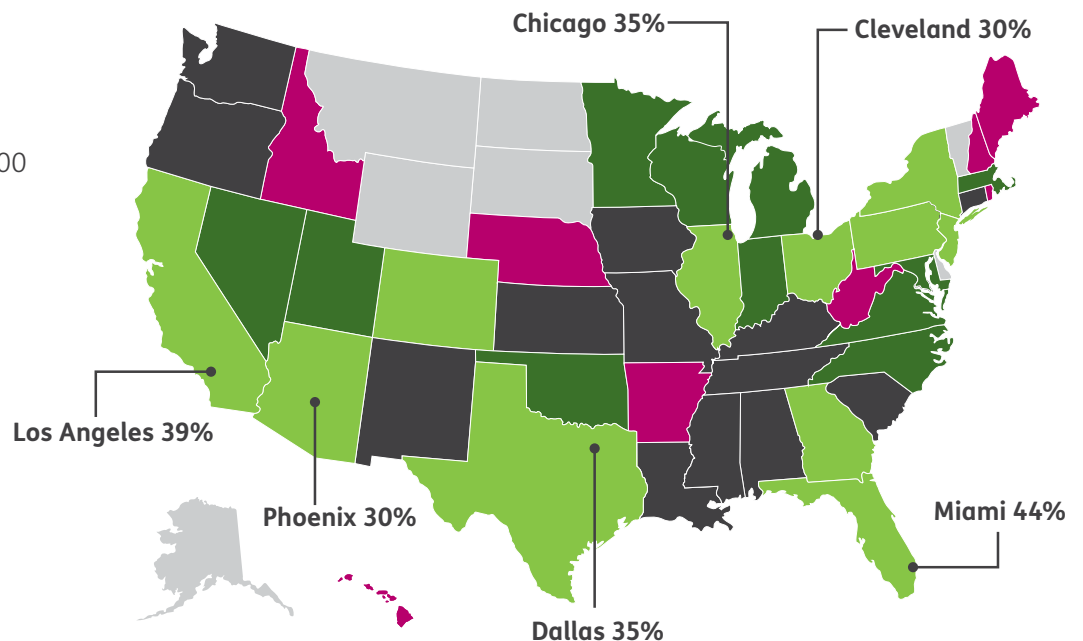

Your employees visit dentists they know and trust – ones who practice near their homes or place of work. And we have one of the largest PPO dental networks to accommodate their lifestyles. Plus, your employees and their families can reduce the cost of covered care with our negotiated network discounts, averaging 31 percent on covered services nationally, when they choose dentists in our PPO network.¹

Humana customizes the dental network to fit the needs of your employees through a recruitment strategy, so they can continue to see the dentists they choose. The Humana PPO network delivers real savings you and your employees can feel good about. Here are examples of discounts:

Number of provider locations

- Up to 100
- 101-500
- 501-2,500
- 2,501-5,000
- 5,000+

Average discounts listed represent HumanaDental's negotiated discounts with general and specialty dentists, and are calculated based on normal billed charges for the area by ZIP code as of 1/1/2015.

¹Network fees vary by geography and provider; members may experience negotiated fees greater than or less than 31 percent.
