

# MetLife

## Simplifying benefits management every step of the way.

MetLife delivers a superior service experience through our ongoing commitment to technology and innovative online solutions. From the enrollment process to claims submission, MetLife Online Service Solutions help make every step of the benefits administration process easier.

Our state-of-the-art websites for benefits administrators, participants and dental providers help optimize your plans, by providing all key stakeholders with convenient, real-time\* access to information and cutting-edge tools through easy-to-use, secured sites targeted specifically to their needs.

MetLife recognizes that one size does not fit all. We offer a consultative approach and provide flexible, cost-effective online solutions that can be seamlessly integrated into your current benefits platform and tailored to meet your requirements.\*\*

Whether your company has 2 employees or 25,000, a single office or multiple satellite locations, one MetLife coverage or many, MetLife's Online Service Solutions help you meet diverse business and benefits objectives. Our online solutions help make managing benefits easier — providing exemplary service and value at every stage, for you and your employees.

### MetLink® for employers, brokers and consultants
