[What is MinuteClinic®?](#)

MinuteClinic®, the walk-in medical clinic inside select CVS/pharmacy® stores, is the largest provider of retail health care in the United States. MinuteClinic® is the first retail health care provider to receive accreditation (2006) and reaccreditation (2009, 2012 and 2015) from The Joint Commission. Formerly JCAHO, The Joint Commission is the national evaluation and certifying agency for nearly 20,000 health care organizations and programs in the United States. MinuteClinic® is staffed with certified family nurse practitioners. CVS MinuteClinic® services are not an alternative to emergency services or ongoing care.
