

Prescription Transition Form

How to continue coverage for medications that require prior authorization

We want your first experiences with Health Net of California, Inc. and Health Net Life Insurance Company (Health Net) to be positive, so we've created a program to help ensure that if you're taking a maintenance medication that requires prior authorization, we can transition it into our plans as smoothly as possible. This form is to be used only for new members who have transitioned to Health Net from a different health plan. This program is for prescriptions that you take regularly. Here's how the program works:

- Health Net will use this transition form to enter authorizations for the medications on this form only in the pharmacy claims processing system. This will allow your maintenance medication to process without requiring additional authorization.
- This form is to be used for only the prescription drugs below within the first 90 days of eligibility.
- The list below is not a comprehensive list of drugs that require prior authorization from Health Net. For a comprehensive list of medications that require prior authorization, or if you have questions related to prescriptions not on the list, visit www.healthnet.com, or if you are a member, contact us at the number on your ID card.

Instructions:

1. A form is not required if a member is currently not taking any of the drugs listed.
2. If the individual listed is currently established on any of the drugs listed below, please circle the correct drug.
3. Fax completed form(s) to the Health Net of California Pharmacy Department at **1-800-314-6223**, or mail the form to Health Net at: PO Box 9103, Van Nuys, CA 91409-9103, Attn. PHARMACY.
