

Will & Legal Document Center

Help Employees Protect Their Family, Finances and Future

Did you know 54% of employees do not have a will?¹

Help them secure their future when you offer group life insurance from Principal Life Insurance Company. With group term or voluntary term life insurance from Principal Life, employees and their spouses have access to free resources from the Will & Legal Document Center provided by ARAG®.

Features

With easy-to-use interactive online software, employees can prepare, print and store these essential legal documents:

Will – Specifies what happens to property when they die, who executes the estate and names a guardian for minor children – saving approximately \$800.²

Living Will – Informs healthcare providers and family about desires for medical treatment if the employee can not make them.

Healthcare Power of Attorney – Grants someone permission to make medical decisions in case the employee can not make them.

Durable Power of Attorney – Grants someone permission to make financial decisions in case the employee can not make them.

Medical Treatment Authorization for Minors – Grants parental consent to treat a child in the event a parent isn't present.

In addition, employees can also access:

Personal Information Organizer – Creates a one-step directory of personal and financial information as well as funeral arrangements.

Estate planning education and tools – View a variety of articles and links to legal information.

Identity Theft Protection – Includes an Identity Theft Prevention Kit to help protect them from becoming a victim of identity theft and an Identity Theft Victim Action Kit to help speed recovery if they become a victim of identity theft.
