Protect your family, your finances — and your future

Create and store your important documents using the Will & Legal Document Center

If you're like most of us, you want to be in the driver's seat when it comes to your wishes for the future, like who will inherit your assets or make medical decisions for you if you're not able to. Especially since life can be so unpredictable.

That's why it's important to be proactive and make a plan to protect your family and finances. With your group term or voluntary term life insurance through Principal®, you can do just that, with access to resources from the **Will & Legal Document Center** provided by ARAG®.

Resources for help with legal documents

Having the proper documents in place can help ensure you're still in control in case something happens to you. With ARAG's free online resources, you and/or your spouse can create these documents:

- **Will** — Specify what happens to your property after you die, and appoint the person to execute your estate. You can also name a custodian for your minor children.
- **Healthcare power of attorney** — Grant someone permission to make medical decisions in case you're no longer able to make them yourself.
- **Durable power of attorney** — Grant someone permission to make financial decisions in case you're no longer able to make them yourself.
- **Living will** — Let your family and health care providers know your wishes for medical treatment if you're unable to speak for yourself.
- **Medical treatment authorization for minors** — Grant consent for medical personnel to treat your child(ren) if you're away.

Plus, you can also access:

- **Personal Information Organizer** — Record your personal and financial information – as well as funeral arrangements – in one convenient spot.
- **Estate planning education and tools** — Get access to a variety of articles and legal resources.

Protect your identity

It's not just inconvenient to have your identity stolen. It can have a direct impact on your credit rating and your financial security. The good news is, you can protect your identity with free online resources from ARAG, including:

- **An Identity Theft Prevention Kit** to help protect you from identity theft.
- **An Identity Theft Victim Action Kit** to help speed your recovery if you experience identity theft.
