| Important Questions  | Answers   | Why This Matters:  |
|--|---|--|
| <b>What is the overall deductible?</b>                             | <b>\$6,500</b> per individual / <b>\$13,000</b> per family for <u>participating providers</u> ;<br><b>\$6,500</b> per individual / <b>\$13,000</b> per family for <u>non-participating providers</u> .  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| <b>Are there services covered before you meet your deductible?</b> | Yes. <u>Preventive care</u> and services listed in your complete terms of coverage.   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://healthcare.gov/coverage/preventive-care-benefits">healthcare.gov/coverage/preventive-care-benefits</a> .   |
| <b>Are there other deductibles for specific services?</b>          | No.   | You don't have to meet <u>deductibles</u> for specific services.   |
| <b>What is the out-of-pocket limit for this plan?</b>              | <b>\$7,550</b> per individual / <b>\$15,100</b> per family for <u>participating providers</u> ;<br><b>\$12,550</b> per individual / <b>\$25,100</b> per family for <u>non-participating providers</u> . | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.   |
| <b>What is not included in the out-of-pocket limit?</b>            | <u>Copayments</u> for certain services, <u>premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.   | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .   |
| <b>Will you pay less if you use a network provider?</b>            | Yes. See <a href="https://blueshieldca.com/fap">blueshieldca.com/fap</a> or call 1-888-319-5999 for a list of <u>network providers</u> .  | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> network. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| <b>Do you need a referral to see a specialist?</b>                 | No.   | You can see the <u>specialist</u> you choose without a <u>referral</u> .   |

## About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
