Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$0.	See the Common Medical Events chart below for costs for services this <a href="#">plan</a> covers.
Are there services covered before you meet your <a href="#">deductible</a> ?	No.	You will have to meet the <a href="#">deductible</a> before the <a href="#">plan</a> pays for any services.
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet <a href="#">deductibles</a> for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	\$6,000 per member / \$12,000 family per calendar year.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , infertility services and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. For a list of <a href="#">preferred providers</a> , see <a href="http://www.healthnet.com/providersearch">www.healthnet.com/providersearch</a> or call 1-800-522-0088.	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	Yes. Requires written prior authorization.	This <a href="#">plan</a> will pay some or all of the costs to see a <a href="#">specialist</a> for covered services but only if you have a <a href="#">referral</a> before you see the <a href="#">specialist</a> .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
