Important Questions	Answers			Why This Matters:
What is the overall deductible ?	Tier 1: Sharp Health Plan Performance HMO Network \$0	Tier 2: Aetna Open Choice PPO Network \$0	Tier 3: Out-of-Network \$4,500 Individual / \$9,000 Family (Deductible resets January 1st)	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	Yes. Preventive care , Primary Care services and certain Mental Health Services are covered before you meet your deductible .			This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventative services without cost sharing before you meet your deductible . See a list of covered services at www.healthcare.gov/coverage/preventative-care-benefits .
Are there other deductibles for specific services?	No.			You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	Tier 1: Sharp Health Plan Performance HMO Network \$3,000 Individual / \$6,000 Family	Tier 2: Aetna Open Choice PPO Network \$3,000 Individual / \$6,000 Family	Tier 3: Out-of-Network \$9,000 Individual / \$18,000 Family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.

Important Questions	Answers			Why This Matters:
What is not included in the out-of-pocket limit ?	Premiums , copayments for supplemental Benefits, and health care this plan doesn't cover.			Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. For a list of in-network providers, see www.sharphealthplan.com or call 1-800-359-2002.			You pay the least if you use a provider in Tier 1. You pay more if you use a provider in Tier 2. You will pay the most if you use a Tier 3 provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	Tier 1: Sharp Health Plan Performance HMO Network Yes.	Tier 2: Aetna Open Choice PPO Network No.	Tier 3: Out-of-Network No.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist .
