

Coaching program

Best Health is a comprehensive wellness program available at no extra cost. As an award-winning, nationally accredited wellness program, Best Health offers robust online wellness tools, interactive workshops, one-on-one health coaching and more, to help you reach your health goals.

Best Health Coaching is a six-week, phone-based program designed to support you in becoming and staying your healthiest. During weekly 30-minute coaching calls, you will work with an experienced health coach who can help you make positive changes. Coaching is completely confidential and available at no cost through your benefits package.

Choose from a variety of program options

-  Lose weight
-  Eat healthier
-  Increase physical activity
-  Manage stress
-  Quit smoking or tobacco

Who are the Best Health coaches?

Our nationally board certified health coaches are behavior change experts with health-related degrees in fields like exercise science, nutrition, psychology and health education. Coaches are here to listen, motivate, challenge and support you on your Best Health journey.

How does it work?

During weekly 30-minute calls, you will work with your health coach who will support you in reaching your health and wellness goals. You will also have access to online resources such as a Wellness Assessment, interactive videos, articles, quizzes, meal and activity planners, and more.
