Finding a network dentist

It's easy to choose a dentist. With a broad network of INO dentists to pick from, you should be able to find one near you. The dental INO directory is available online in the Find a Provider section at [blueshieldca.com](http://blueshieldca.com), or by calling Customer Service at (888) 702-4171. Services are covered when rendered by an INO dental provider.

Your cost for services

- You pay a \$50 deductible (\$150/family) each calendar year for services other than diagnostic and preventive services, orthodontic services and enhanced dental benefits for pregnant women.
- After the deductible is met, Blue Shield pays a set percentage of the charges up to the maximum amount depending on the service received.
- Blue Shield will pay up to \$1,500 for dental services from network dentists during the calendar year. Charges for services above the maximum are your responsibility.
- There is an additional \$1,000 orthodontic calendar-year maximum. Blue Shield pays 50 percent of covered orthodontic procedures up to \$1,000.
- You pay any amount above your maximum calendar year benefit.

When requesting additional fluoride varnish treatments, the provider must provide a copy of the completed American Dental Association (ADA) CAMBRA form (available on the ADA website).
- 2 With the Dental Smile Rollover Rewards Program, Blue Shield Life rewards you for getting diagnostic and preventive care from your Dentist during the year. Your reward accumulates, will be carried over each year, and is available for use beginning in the next Benefit period (see the *Dental Smile Rollover Rewards* section of the Certificate of Insurance for details on how the program works).
- 3 Emergency Services are excluded from determining eligibility of the Annual network Reward.
