Benefit Summary

Core PPO Platinum
California - Core
Core - Plan BRJL

What is a benefit summary?

This is a summary of what the plan does and does not cover. This summary can also help you understand your share of the costs. It's always best to review your Certificate of Coverage (COC) and check your coverage before getting any health care services, when possible.

What are the benefits of the Core Plan?

Find network care nearby.

A network is a group of health care providers and facilities that have a contract with UnitedHealthcare. You have quality network care nearby. If you travel, you'll get access to a national network to help lower your costs.

> **There's coverage if you need to go out of the network.** Out-of-network means that a provider does not have a contract with us. Choose what's best for you. Just remember out-of-network providers will likely charge you more.

> **There's no need to choose a primary care provider (PCP) or get referrals to see a specialist.** Consider a PCP; they can be helpful in managing your care.

> **Preventive care is covered 100% in our network.**

Are you a member?

Easily manage your benefits online at **myuhc.com®** and on the go with the **UnitedHealthcare Health4Me®** mobile app.

For questions, call the member phone number on your health plan ID card.

Not enrolled yet? Learn more about this plan and search for network doctors or hospitals at **welcometouhc.com/core** or call **1-866-873-3903**, TTY **711**, 8 a.m. to 8 p.m. local time, Monday through Friday.

Benefits At-A-Glance

What you may pay for network care

This Benefit Summary is to highlight your Benefits. Do not use this document to understand your exact coverage for certain conditions. If this Benefit Summary conflicts with the Certificate of Coverage (COC), Schedule of Benefits, Riders, and/or Amendments, those documents are correct. Review your COC for an exact description of the services and supplies that are and are not covered, those which are excluded or limited, and other terms and conditions of coverage.

What is co-insurance?

Co-insurance is the amount you pay each time you receive certain Covered Health Care Services calculated as a percentage of the Allowed Amount (for example, 20%). You pay co-insurance plus any deductibles you owe. Co-insurance is not the same as a co-payment (or co-pay).

What is a co-payment?

A Co-payment is the amount you pay each time you receive certain Covered Health Care Services calculated as a set dollar amount (for example, $50). You are responsible for paying the lesser of the applicable Co-payment or the Allowed Amount. Please see the specific Covered Health Care Service to see if a co-payment applies and how much you have to pay.

What is Prior Authorization?

Prior Authorization is getting approval before you receive certain Covered Health Care Services. Physicians and other health care professionals who participate in a Network are responsible for obtaining prior authorization. However there are some Benefits that you are responsible for obtaining authorization before you receive the services. Please see the specific Covered Health Care Service to find services that require you to obtain prior authorization. Service site review may be a component of the prior authorization process.

Benefit Plan Co-payment/Co-insurance - The amount you pay for Prescription Drug Products.

* Only certain Prescription Drug Products are available through mail order; please visit myuhc.com® or call Customer Care at the telephone number on the back of your ID card for more information. If you choose to opt out of Mail Order Network Pharmacy but do not inform us, you will be subject to the Out-of-Network Benefit for that Prescription Drug Product after the allowed number of fills at the Retail Network Pharmacy.

** You will be charged a retail Co-payment and/or Co-insurance for 31 days or 2 times for 60 days based on the number of days supply dispensed for any Prescription Order or Refills sent to the mail order pharmacy. To maximize your Benefit, ask your Physician to write your Prescription Order or Refill for a 90-day supply, with refills when appropriate, rather than a 30-day supply with three refills.

Other Important Information about your Outpatient Prescription Drug Benefits

For Prescription Drug Products at a retail Network Pharmacy, you are responsible for paying the lowest of the applicable Co-payment and/or Co-insurance, the Network Pharmacy's Usual and Customary Charge for the Prescription Drug Product or the Prescription Drug Charge for that Prescription Drug Product. For Prescription Drug Products from a mail order Network Pharmacy, you are responsible for paying the lower of the applicable Co-payment and/or Co-insurance or the Prescription Drug Charge for that Prescription Drug Product. See the Co-payments and/or Co-insurance stated in the Benefit Information table for amounts.

For a single Co-payment and/or Co-insurance, you may receive a Prescription Drug Product up to the stated supply limit. Some products are subject to additional supply limits based on criteria that we have developed. Supply limits are subject, from time to time, to our review and change.

Specialty Prescription Drug Products supply limits are as written by the provider, up to a consecutive 31-day supply of the Specialty Prescription Drug Product, unless adjusted based on the drug manufacturer's packaging size, or based on supply limits. Supply limits apply to Specialty Prescription Drug Products obtained at a Preferred Specialty Network Pharmacy, a Non-Preferred Specialty Network Pharmacy, an out-of-Network Pharmacy, a mail order Network Pharmacy or a Designated Pharmacy.

Certain Prescription Drug Products for which Benefits are described under the Prescription Drug Section are subject to step therapy requirements. In order to receive Benefits for such Prescription Drug Products you must use a different Prescription Drug Product(s) first. You may find out whether a Prescription Drug Product is subject to step therapy requirements by contacting us at myuhc.com® or the telephone number on your ID card.

Before certain Prescription Drug Products are dispensed to you, your Physician, your pharmacist or you are required to obtain prior authorization from us or our designee to determine whether the Prescription Drug Product is in accordance with our approved guidelines and it meets the definition of a Covered Health Care Service and is not an Experimental or Investigational or Unproven Service. We may also require you to obtain prior authorization from us or our designee so we can determine whether the Prescription Drug Product, in accordance with our approved guidelines, was prescribed by a Specialist.

If you require certain Prescription Drug Products, including, but not limited to, Specialty Prescription Drug Products, we may direct you to a Designated Pharmacy with whom we have an arrangement to provide those Prescription Drug Products. If you choose not to obtain your Prescription Drug Product from the Designated Pharmacy, you may opt-out of the Designated Pharmacy program by contacting us at myuhc.com® or the telephone number on your ID card. If you want to opt-out of the program and fill your Prescription Drug Product at a non-Designated Pharmacy but do not inform us, you will be responsible for the entire cost of the Prescription Drug Product and no Benefits will be paid. If you are directed to a Designated Pharmacy and you have informed us of your decision not to obtain your Prescription Drug Product from a Designated Pharmacy, no Benefits will be paid for that Prescription Drug Product. For a Specialty Prescription Drug Product, if you choose to obtain your Specialty Prescription Drug Product at a Non-Preferred Specialty Network Pharmacy, you may be subject to the Non-Preferred Specialty Network Co-payment and/or Co-insurance.

You may be required to fill the first Prescription Drug Product order and obtain 2 refills through a retail pharmacy before using a mail order Network Pharmacy.

If you require certain Maintenance Medications, we may direct you to the Mail Order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy to obtain those Maintenance Medications.

Certain PPACA Zero Cost Share Preventive Care Medications that are obtained at a Network Pharmacy with a Prescription Order or Refill from a Physician are payable at 100% of the Prescription Drug Charge (without application of any Co-payment, Co-insurance, Annual Deductible, or Annual Drug Deductible) as required by applicable law. You may find out if a drug is a PPACA Zero Cost Share Preventive Care Medication by contacting us at myuhc.com® or the telephone number on your ID card.

Benefits are provided for certain Prescription Drug Products dispensed by a mail order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy. The Outpatient Prescription Drug Schedule of Benefits will tell you how mail order Network Pharmacy and Preferred 90 Day Retail Network Pharmacy supply limits apply. Please contact us at myuhc.com® or the telephone number on your ID card to find out if Benefits are provided for your Prescription Drug Product and for information on how to obtain your Prescription Drug Product through a mail order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy.

Premium rates and/or product forms included herein are subject to approval by regulators. If the rates or product forms offered herein are subsequently modified by regulators we will immediately advise you of the change in plan design and retroactively adjust premium in subsequent billings, in accordance with applicable law.
