

Dental benefits to help make care more convenient

Connect your employees to a world of care

To help employees enjoy their smiles, oral health should be a priority. That’s why our plans offer access to 4 convenient care options designed to help move employees’ dental health forward – available at no additional cost to you.

Everyone deserves a great smile. SmileDirectClub helps employees straighten their teeth with clear aligners sent right to their door—in most cases, for less than \$1,000.¹

Give your employees 24/7 access to a licensed dentist—via phone or web²—to help them take care of an array of oral health issues.

Let the dentist come to your workplace, making it easier for employees to use their dental benefits and help improve their overall health.

Make dental hygiene more enjoyable for your employees by taking advantage of a 30% discount on quip Smart Electric Toothbrushes and accessories.³

Dental coverage centered around employees' needs

Give employees a straighter smile

A great smile may be a huge confidence booster, but traditional orthodontics can be costly and inconvenient. Offering your employees a UnitedHealthcare Dental plan with orthodontia coverage⁴ through **SmileDirectClub** gives them a lower-cost option, with:

- A free 3D digital image at one of 235 SmileShops or an at-home impression kit (\$0 cost with rebate)
- A free retainer following completion of their smile journey (\$0 cost with subscription)
- bright on™ premium teeth whitening (\$0 cost)
- A licensed dentist or orthodontist to develop a treatment plan and monitor their progress
- A discount on SmileDirectClub through our UnitedHealthcare BenefitHub for employees without ortho coverage

Offer employees 24/7 access to virtual dental care

Dentist Virtual Visits from **DialCare** allow employees to connect with a licensed dentist anytime, anywhere. Consultations are available for issues such as:

- Oral pain
- Broken, chipped and sensitive teeth
- Gum swelling and bleeding
- Orthodontia needs
- Second opinions
- Prescriptions for non-controlled substances, when clinically necessary

Bring the dentist to your workplace

Taking time out of the workday to visit the dentist isn't always convenient. **Jet Dental** makes oral care simpler for employees by bringing the dentist to them, offering a minimum of 20 appointments per day. Other services include:

- Preventive work done in 40 minutes
- X-rays
- Exams and fillings
- Restorative care
- Sealants and cavity treatments
- Periodontal cleaning

Promote healthy brushing habits

Healthy habits start at home. Your employees can receive 30% off a **quip** Smart Electric Toothbrush and accessories. Each toothbrush comes with an app that:

- Tracks brushing
- Teaches better brushing habits
- Allows users to earn points
- Offers rewards such as an exclusive Quarterly Brush Head Refill

Find flexible dental coverage that helps fit employees' needs.
