

## California Speed to Market Discounted Plans

Plans on this grid have a 15% discount applied to base rates in standard UHC internal and external quoting tools.

Program applies to groups quoted/installed on Prime and/or USP/Cirrus with 1-99 eligible employees

All plans are "passive." Out-of-network benefits match in-network benefits.

### Why Consider UHC Dental Benefits?

- ✓ UHC's Activate the Savings program offers a \$50 per subscriber one-time credit to a group's invoice when they purchase dental + one other line of specialty coverage. <sup>1</sup>
- ✓ UHC's Packaged Savings program provides bundling credits to group's that offer employer paid specialty products. Total Savings up to \$7 PEPM available! These savings can pay for 2-3 months of specialty premium!<sup>1</sup>
- ✓ UHC's Ubundle program allows groups that offer bundled benefits to obtain discounts on medical premium of up to 4% depending on the coverages they select!<sup>1</sup>
- ✓ Dental Rate Guarantee program ensures that dental rates will never receive more than a 5% increase at their first renewal.
- ✓ UHC owns it's own comprehensive dental network with over 117,000 PPO providers!
- ✓ Bundling employee benefits with UHC allows groups to manage one administrative website, one invoice, and use one account management team!
- ✓ Voluntary dental products only require 2 employees to enroll regardless of group size!
- ✓ Consumer Max Multiplier, Preventive Max Multiplier, and Flex Appeal Enhanced Implant plans available, ask your sales contact for more details!

<sup>1</sup> Group must meet program eligibility, situs state, and contribution rules in order to qualify for Activate the Savings, Packaged Savings, and Ubundle promotions. Please review official program guides for full rules around program eligibility.
