Cost-conscious and quality-driven health plan offerings.

Our wide range of health care plans include cost-effective HMO products, such as Signature⁴, Advantage⁴, Alliance⁴, Flex⁴ and Focus⁴; Choice/Select /Core (PPO/POS/EPO); and our popular consumer-driven health plans, featuring health reimbursement accounts and health savings accounts. We understand that employees are looking for even more options to manage their health and well-being needs, while employers are looking for ways to control costs.

Innovative tools for employers and members.

- **Virtual Visits** lets members visit a doctor online anywhere, anytime through a smartphone or computer.
- **Rally**[®] is an interactive and wellness component of myuhc.com[®] that helps members eat right and feel better.
- The **UnitedHealthcare Health4Me**[®] mobile app helps provide members instant access to health information 24/7.
- **myuhc.com**[®] is where members go for their benefit information, from finding doctors and hospitals to looking up claims and estimating costs ahead of time.
- **Employer eServices**[®] is a time-saving program for employers that lets benefits professionals manage enrollment, eligibility and billing in real time.

Wellness programs help promote healthy lifestyles.

UnitedHealth Wellness[®] programs help members take charge of their health and well-being. Based on clinical lifestyle modification research, they're designed to help members understand and educate themselves, then support and reward positive change. Programs are for businesses of all sizes and included in all plans.

Virtual Visits is an internet-based service provided by contracted UnitedHealthcare providers that allow members to select and interact with independent physicians and other health care providers. It is the member's responsibility to select health care professionals. Care decisions are between the consumer and physician. Virtual Visits is not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times or in all locations. Members have cost share responsibility and all claims are adjudicated according to the terms of the member's benefit plan. Payment for Virtual Visit services does not cover pharmacy charges; members must pay for prescriptions (if any) separately. No controlled substances may be prescribed. Other prescriptions may be available where clinically appropriate and permitted by law, and can be transmitted to the pharmacy of the member's choice. February 2016.
