

# Smarter Vision Care™

VSP® is committed to the health and happiness of your employees. That's why we put them first, even going so far as to guarantee their satisfaction. No hassles, no excuses.

## More Choice and Control

**VSP Network**—Your employees have the freedom to choose the provider that's right for them from up to 98,000 **access points**, including the largest national network of independent doctors, popular retail chains, and a convenient online option. For added convenience, **86%** of VSP network doctors offer early morning, evening, and weekend appointments, and 24-hour access to emergency care.

**IndividualEyes® by VSP**—Now it's easy to offer personalized vision plan choices with simple administration for you. Add more options to your Standard Plan, offer an upgrade to a Premium plan, or let every member of the family select their own upgrade at their VSP network doctor's office with **VSP EasyOptions**.

## Spending Less, Getting More

-  **Lowest Out-of-pocket Costs**  
Low out-of-pocket costs are **employees #1 priority** in a vision plan<sup>1</sup>, and VSP plans save them hundreds of dollars on eye exams and eyewear. Plus, they get **Exclusive Member Extras** they can't get anywhere else.
-  **Powerful Preventive Care**  
Since VSP network doctors are often first to detect signs of chronic conditions like diabetes, you'll enjoy substantial savings. **For every 100 employees, you can avoid \$80,274** in lost productivity and healthcare costs with VSP<sup>2</sup>
-  **Award-winning Service**  
**Concierge Transition Service™**, best-in-class implementation plans and turnkey member communications make offering VSP easy. Employees enjoy exceptional care from our world-class certified customer service team.

Choose VSP and see how you can get better choices, smarter savings, and the best care. **Satisfaction guaranteed.**
