

Vision network at a glance

With nearly 13,000 vision providers* in California, Blue Shield vision plan members have access to the state's largest network of eye care experts to meet their eye care and eyewear needs. These include ophthalmologists (medical doctors who specialize in eye and vision care), optometrists (healthcare professionals who provide vision care), and opticians.

Provider counts by region as of August 1, 2018				
	Ophthalmologists	Optometrists	Opticians	Total
Northern California	233	4,212	222	4,667
Southern California	595	6,977	486	8,058
Total	828	11,189	708	12,725
