

# Vision network at a glance

With more than 7,000 vision providers\* in California, Blue Shield vision plan members have access to the state's largest network of eye care experts to meet their eye care and eyewear needs. These include ophthalmologists (medical doctors who specialize in eye and vision care), optometrists (healthcare professionals who provide vision care) and opticians.

Provider counts by region as of July 2017				
	Ophthalmologists	Optometrists	Opticians	Total
<b>Total</b>	1,238	5,021	806	7,065
<b>Northern California</b>	517	2,031	368	2,916
<b>Southern California</b>	721	2,990	438	4,149
More than 29,000 nationwide
