

California brokers can choose from our top vision plans or build custom plans using our flexible portfolio. All plans standardly offer valuable features and savings opportunities for employers and members.

## 2018 Top Vision Plans

Plans are shown by metallic tiers\* to simplify matching vision benefit levels with comparable medical benefit levels.

*\*Metallic tiers are illustrative only*

**Vision Simplified** offers our best-selling vision plan designs, but if you do not see the design you are looking for, please consult our *Vision Rate Card* or contact your Account Executive.
