

Why Everyone Needs Vision Care

Vision is more critical to a benefits package than you might think. Employees who have a vision benefit are nearly twice as satisfied with their benefits - and are more than twice as likely to say benefits are a reason they stay with their employer.¹

Employees Need Vision Care Powerful Preventive Healthcare Increased Employee Satisfaction

 **3 in 4** adults need vision correction.²

 Only **1 in 5** Americans get an annual medical exam – only half get the preventive screenings you'd expect.⁴
