

Simple Online Enrollment with Guardian Anytime®

Informative, educational and easy to navigate

Reduces the administrative burden

- Work more efficiently with just a few clicks
- Allow employees to enroll and make updates, spending less time filling out forms and answering questions
- Employees can quickly compare different plans and costs that best fit their needs

It's easy to get started

Set up is complete five to seven days before enrollment

It's easy to re-enroll...

Ready for employees to make updates or enroll

Meet Grace, Guardian's online benefits advisor¹

Grace will help:

- Provide guidance through the enrollment process
- Present benefits options and why they are important
- Explain products and how they work
- Provide answers to some common questions
