

Affordable Dental Coverage Inside and Out

Guardian Choice lets you choose the plan that's right for you — with options for potential savings if you see an in- or out-of-network dentist

Whether you're looking for maximum savings and coverage from one of the nation's strongest networks or choose to see an out-of-network dentist and still want to save on costs, Guardian Choice gives you options with serious savings built in.

Double the options

With Guardian Choice, you can select between two plans during the enrollment period:

Comparing coverage

Here's how your cost would differ by plan with the example treatment of a root canal in basic services*

	Value Plan 100/100/60		NAP Plan 100/80/50	
	In-network	Out-of-network	In-network	Out-of-network
Co-Insurance				
Cost of a root canal for Guardian members	\$734	\$1,306	\$734	\$1,306
Plan pays	\$734	\$734	\$587	\$1,044
Member pays	\$0	\$572	\$147	\$261

*Costs are for illustrative purposes and vary by dentist and location.
