

EaseHR

HR software to help you manage company growth.

Powerful tools that sync with all of your Ease services:

PTO Policies & Tracking

Performance Reviews

Company Stats

**Company Directory
& Employee Events**

Surveys

iOS & Android Mobile App

EaseHR uses the same login and employee information from benefits enrollment, making setup painless.

PTO Policies & Tracking

- Setup holidays & manage custom PTO policies.
- Track time-off requests.
- Employees can request time off & managers can approve on the go.
- Employees can view hours remaining per policy, such as PTO, sick leave, and FMLA.

Performance Reviews

- Create & deploy custom performance reviews.
- Save performance review templates and share them across a company.

Company Directory & Employee Events

- One complete directory for employee contact information, organized by name, location, and department.
- Managers can keep track of birthdays and work anniversaries.
- An interactive company org chart.

Company Stats

- Visualized HR data.
- See employee growth & company diversity.

Surveys

- Send employee surveys.
- View responses in summary form or per employee.

iOS Mobile App

- Employees can request time-off and managers can approve time-off.
- Access the company directory.
