# Connection Overview

Ease and Lincoln Financial Group are partnering to make it easier to offer and manage dental, vision, and worksite plans.

### **Direct Submission**

Submit and send required enrollment data to Lincoln Financial Group via Ease. Changes can be made in Ease, and any adds, changes, and terminations will be automatically sent to Lincoln Financial Group. You will be notified via Ease when Lincoln Financial Group approves or denies a submission.

### **Simple Setup**

Ease will manage the entire setup of this integration for you and your groups.

### **Create New Groups In One Place**

Increase your commission by easily adding new lines of coverage. This integration supports Lincoln's dental, vision, life, voluntary life, long-term disability, short-term disability, and worksite plans.

### **How To Activate**

If you are a current Ease customer, please contact your Customer Success Manager to get started with the connection. If you are not a current Ease customer, please contact [requestinfo@ease.com](mailto:requestinfo@ease.com) to set up a demo.
