

EaseCentral & ADP Workforce Now have  
partnered to make payroll and benefits easy.

Streamline your HR processes by integrating your ADP Workforce Now.

## Simple Employee Setup

When employers set up new hires in ADP Workforce Now the integration will automatically create new employees in EaseCentral. This allows them to make their benefit elections quickly and easily online.

## Payroll & Benefits Systems In Sync

With automated, daily, changes-only demographic data synced from ADP Workforce Now to EaseCentral and daily deduction data synced from EaseCentral to ADP Workforce Now, accurate employee and payroll data has never been easier to maintain. Need a payroll update even sooner? HR admins can run the changes at anytime. with the push of a button.

### Price Plan

**\$2.50 pepm**

There will be a \$500 setup for each employer group.

## Open Enrollment & Benefit Changes

Deductions from open enrollment or any other benefit changes are automatically sent to ADP Workforce Now throughout the year, no matter the month. Employees can add dependents and make other changes to their plan and see the change in the appropriate pay period.

## How to activate

If your group already uses ADP Workforce Now, visit the ADP marketplace and subscribe to EaseCentral. If the group is interested in switching, contact ADP sales at 800-225-5237.

# How to Get Started

Once the employer's EaseCentral Admin subscribes to the EaseCentral integration in the ADP Marketplace, they will gain access to the Payroll module in EaseCentral.

The employer will work with the EaseCentral integration team to configure the deduction code assignments, pay cycle codes, and other required company data.

Once the configuration is complete, the data from ADP Workforce Now and EaseCentral will be synced. Any employees not in EaseCentral will automatically be added from ADP Workforce Now.

Deductions from open enrollment, new hire benefits, and qualifying events will automatically be synced from EaseCentral to ADP Workforce Now and the updates will be reflected in the employee's paycheck.
