

Canopy Health Highlights

We believe the best healthcare doesn't have to be unpredictable, confusing, and a financial burden. That's why we've created an integrated healthcare system where quality care and coverage are provided by an alliance of top caregivers across the Bay Area. Our unique approach is simple and transparent, and helps members identify, understand, and access the best care wherever they live, work, and play.

Accessing Our Network is Easy

1. Choose an insurance product that includes Canopy Health from one of our insurance company partners.
2. Choose a primary care physician (PCP) from our medical group partners.
3. And your PCP can refer you to any specialist in the Canopy Health alliance!
