Doctor on Call doctor

Make a Doctor on Call request in just two taps on the Oscar app. Talk to a board-certified doctor in 15 minutes and get fast help when you’re under the weather – whenever you need it, wherever you are*. **It’s always free, unlimited, and available 24/7.**

When to use it:

You’re under the weather.

Doctors can diagnose common conditions and refer you to the right specialist if you need to see someone in person.

You need a prescription.

Doctors can send new prescriptions and refills for medications like birth control and antibiotics straight to your pharmacy.

It’s outside of normal office hours.

Doesn’t matter if it’s the middle of the night. Doctors can usually resolve your issue so you can get back to bed.

You’re away from home.

Doctors can diagnose you and send a prescription to a nearby pharmacy, wherever you are*, 24/7.
